Case number : 10975 U.S. DISTRICT COURT
DISTRICT OF MASS.

Dear Judge,

I write you to ask you to deny the motion for dismissing my case that Raoul and Gerlaine Bonbon's lawyer requested because I am still suffering of bad treatments, bad names I used to receive from them. I cannot have girl friend, cannot sleep, eat, learn how I suppose to by thinking to things they did to me. They make every body hate me. From the beginning when they began to harass me to this month I had many difficulties to do those things. I was so disgrace, felt so bad, I became regreted to come to the united states.

You know my personality became more deteriorated than the way it was before because right now they put FBI behind me and all the FBI agents or members keep following me every where I go. They make all the bus drivers, officer Polices, state Polices, all my neighborhood house know me as stealer and keep following me every where I go. (downtown police, Medford police, Arlington police, Malden police, somerville police, Cambridge police. My personality is so deteriorate, I cannot have girl friend. Even one friend I don't have because they make every body hate me by making them know I am a stealer, robber. I had better if I did not ever leave my country. They make me regret to come to the united states. For all those injuries, Raoul and Gerlaine Bonbon, each of them have to pay at least \$ 20,000,000 and spend all the rest of their life to fail. My personality is so deteriorated there is nothing I can do to repair it.

The FBI agents or members make my life very difficult. They make me seek every where in my body, spirit and my soul. Any thing does not work well for me at all. If you have doubt about the FBI member and police in many cities who keep

following me from my house to the bus stop, from the bus stop to the bus station or train station or from a city to another, you can send any investigator from the Court to Sullivan station, Davis square station at Somerville, Medford police downtown police etc to contact any boss driver or police and ask questions about that person they keep following to see if I lie to you or not. The investigators can go with a tape recorder so that to can make you heard what some boss drivers and police say about that person they keep following every day.

Last Saturday April first, 2006, I got an appointment at 4 o'clock with a boss of a restaurant at Alewife block "Fresh Pond" in Cambridge. By following me from my house to the bus stop, from train station to all the other place I go, some of them went to wait for me in the Restaurant.

while I was working from Alewife station to go to the job interview, a Haitian FBI member come to meet me on my way. He called me and asked me where I am going, I answered I am going to a job interview. He asked me to the Restaurant Tin Alley Grille, I told him yes. I grew up on the street with him when I was in Haiti. He is a member of the church in which I used to go when I first come to the United States. I have been stopping going to that since on November 2002 because there are many Haitians students at Medford high school who used to go there and they make all the other member know I am a stealer.

He had a very little communication radio in his hand. Quickly he communicated with some other FBI agents and they went to wait for me in the restaurant. As soon as they reached, they made all the employees and Mr. Bill the boss know I am a stealer, robber to prevent him to hire me. When I arrived, I asked for the boss Mr. Bill Edmonds, phone: 617-492-4656, they told me he is not here. There is another manager here, do you want to see him, I told them ok, call him for me. When he came he told me to seat down. The application had more than 4 pages but Mr. Bill may be did not give him all of them. He gave him only two pages.

Before leaving my house, I called Mr. Bill the boss to let him know I coming right now, but when I reached at the restaurant they did not allow him to come to talk to me. while I was entering in the restaurant I saw many police, state police around it. some of them stand up and some other stayed in their car to watch what I am going to do.

I was a FBI agent/member so called the boss who came to talk to me. He told me he is the boss, Mr. Bill is not coming today, that is why I come to talk to you. He told me he found only these two pages, did you fill out the whole application I told him, yes. He asked me to write down the location of jobs experiences I have, and I wrote one on the back of one of the pages application he had, with the boss name address, and phone number. AS soon as I left he called the boss to deteriorate my personality, to make her know I am a stealer, to prevent her to rehire me or to say the something, bad things of me, if another boss call her to ask information of me about my experience.

I just started a job in downtown located on one Federal street, opposite the Armed force recruiting, the FBI members make all the employees know, the boss ~~and~~ the manager know that I am a stealer, to can make them to fire me.

It was the Medford high school principals, Head master, sub masters and all the other leadings, security officers at the school and some students who made all the other police know I am a stealer and make them following me everywhere I go.

When I am going to Somerville, Medford police officers who are following me from my house to the bus stop contact Somerville or Arlington police to let them know what bus I go on, where I am going, where the bus is going to can continue to follow me.

All those things I just explained to you are true. If you have doubt about them, you can send any investigator to Medford police, Somerville police, Sullivan station, Davis square station to make an investigation about the person all the police keep following everywhere he goes.

sincerely,

Pierre Cadet

Here all the personal injuries I have from 2002

often I cry by thinking to my personality they still deteriorate by

Medford police, Malden police etc)

They make every body hate me
